### SUBSCRIPTION PLANS

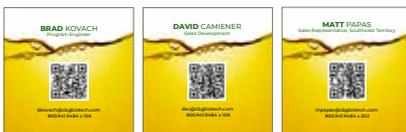

**Flexibility, Agility & Expertise**  
CBG Biotech launched a subscription-based service framework covering parts, service & training. This allows you to design a custom plan that precisely meets your business requirements. This will reduce costs, increase efficiency & maintain the life of your asset. The primary benefit of this program is to scale up or down as needed.

Our best-in-class subscription model allows you to add resources, technical support and virtual training.
